

March 23

Greetings to all in the name of Christ,
Friends it's only been less than a week since we made the heart wrenching decision to abstain from worship and group interaction. I don't know about you but I feel a little lost without the day by day rhythms of worship and social interaction within the church. Although it may not be apparent to some as I preach and officiate our church, I am somewhat an introvert. That being said, like many of you, I crave the social interaction that worship and small group meeting bring to our lives. Daily devotions, interacting from a distance with web videos, does not replace the feeling we get when we gather together. Know that God is with us and will continue to be with us always. To the point, we have not cancelled church, we are just in a new paradigm of worshipping at a distance for a time. My prayers are with you. Each day I pray for the church and individually for our members. I hope you do the same. Prayer is powerful. This coming Sunday would have been very interesting. Chris Commisso was to take over leading our worship experience. We will revisit this worship experience in the near future. Later this week I will post another of my sermons to our web to cover our distance worship for March 29. Keep visiting our web-site, keeping looking for our e-blasts and pray for your leadership as we research new ways to be the church in these unsettling times.

Isaiah 41:10

“Don't fear, because I am with you; don't be afraid, for I am your God. I will strengthen you, I will surely help you; I will hold you in my righteous strong hand.”

As we go through this time of protecting each other you need to know that your church leadership is networking on ways we can be in worship, and connect with each other.

Blessings

Pastor Bob

P.S. We here in Move County have been very fortunate to not have had a positive for Covid-19

Let's keep it that way!!
