

Greetings to all in the Name of Christ,

I am hoping to send out messages thorough out the coming weeks by or e-blast and through our web-site. We know there are folks in our congregation that do not have internet and /or computers. Let's do our best to help them stay informed. We are hoping to resume worship on Palm Sunday. To that end we will need to engage in all the proper protocol for the situation we are presently dealing with. No hand shaking no hugs. I know it's not easy for us. Keep you distance. Spread out in the sanctuary and advise others to do so. If you are elderly or have a medical condition that has weakened your immune system please stay away. Use your common sense. We will not be having Food and Fellowship on Sundays. In fact the hall will be closed on Sundays.

Our Lenten studies and Lenten talks will resume after Holy Week. I especially want to finish our Lenten Talks as our Laity have put a lot of effort into their presentations. We will not be having meals. Keep posted as our "new way of living" progresses.

I will post my sermons for each week we are off in print on our web-site. You might ask why I don't do that normally. A) I never really stick to my text when I am preaching and B) you can always get a CD of my sermon from Heidi.

Hold each other in prayer,

Many Blessings

Pastor Bob
