*Our Father, who art in heaven, hallowed be Thy name. Thy kingdom come, Thy will be done, on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses as we forgive those who trespass against us. **Wednesday** – What a great start to the week with Preschool Graduation! Grace Neal sent 25 kiddos off to Kindergarten. The ceremony included a song that the preschoolers and I worked on together, along with their own songs. It was hilariously funny to watch and hear one of the girls scream-sing every song. I just so happened to sit next to her dad and joked about how he would be able to blackmail her with those recordings. Big thanks to Heidi for putting together a super cute slide show with a picture of each graduate. After that, orders of worship for Pentecost. GASPA! Paid visits to Barb McDaniel who was in the hospital and then stopped at Desert Highlands to see Dale and Paul. Both were going to be able to soon go home! Back at church to finish prep for our evening Bible Study. Acts 24 tonight! Finished my June newsletter article. During Bible Study, we talked about where to go after we're done with Acts. We all decided that we wanted to stick with just plain studying the Bible. Now that we've learned about all of these exciting things that happened with the start of the early church, we are ready to dig into some of the letters of the likes of Peter and Paul.

**Thursday** – Arrived at church early for a Thursday (because of a long Wednesday) because I was going to be presenting to other United Methodist churches in our conference about our learnings from our security grant application and execution journey. I made sure they knew that they needed a Bob! Thanks to "The Meg" for taking pictures of the fences, gates, and bollards. We are working on details to apply for the 2027 security grant cycle. This time we will focus on bullet-resistant film for the many areas where we have glass. The security team will propose a few other security improvements to include in this application. Sent June sermon themes for the newsletter. Thursday night worship service was awesome. You really owe it to yourself to at least listen in occasionally on Thursday nights. Mike Mixon does a fantastic job and offers some very cool music.

**Friday** – Started out with a song and prayer with our food pantry ministers. Fridays can present a lot of opportunities to walk alongside those in need. Today we would have more than just a prayer to offer at the food pantry. It would be an opportunity to help a very special young lady. Jessica Timm was recently a Kingman Minor frontpage story. She will compete in Nationals in the FCCLA 2026 National Leadership Conference. FCCLA stands for Family, Career and Community Leaders of America. This also means she gets a trip to Washington DC, where the conference will take place. Her travel and lodging expenses are covered, but she needs to come up with funding for any other expenses. The Timm family is near and dear to our Nana's Pantry family. They are a very special trio. If you feel led to help in even a small way with some funds to cover additional expenses, please feel free to either contribute through offering and designating it for Jessica Timm, or you can contribute directly to her Venmo account, "Jessica\_Timm". After everyone left, spent time working on our next scolding from James. This week is about prejudice and favoritism. You're killing me, Jim.

**Saturday**- Arrived bright and early on Saturday with caffeine. Ready to tackle the day. Said hi to our St. Michaels friends and the Men's Fellowship gathering. Back to this week's Jim Time Message. Pastoral care session. Also had a mentoring session with my seminary friend, Artcel. (She preached in one of our services last year) In the coming week she will be going through another interview as she worked to become an ordained pastor in the United Church of Christ.

**Sunday-** Goodbye Summer, hello Spring again! Those winds were ushering back in cooler weather. I'm not complaining. Again another great day of worship services. Thanks to Jeanne for the beautiful gift of music for both services. Thanks to Chris for covering music in the Traditional service. After this it was Vets meal planning. We planned out through the end of July. Two from the Vet's planning meeting were candidates for new membership, so we just went through the class right then and there! We will be welcoming Glynn and Vicki Baker into new membership. (Landon will become a member through confirmation). We will also welcome Carol King in the Traditional service. Waited til 2:30 in case anyone else wanted to attend the class. No sign of anyone else, so I packed up and went home. What a good week!

Kingman,

Be Someone's Lifeline. If you've never donated blood before, you have the power to change a life. With fewer Americans giving blood each year, patients facing trauma, cancer, and chronic illness need new donors to step forward. There is no substitute for human blood—only generous people like you. Share the impact by inviting a friend to donate for the first time. When they give, you can both receive \$10 through Vitalant's Refer a Friend program—because saving lives is better together. Make your first appointment and bring a friend. Find out more at [vitalant.org/ReferAFriend](https://vitalant.org/ReferAFriend).

Do you want to make a difference in someone's life in just 1 hour? You can donate blood. We are always looking for first time donors. If you are a blood donor, please encourage someone you know to donate. Thank you for being a lifesaver and helping the community!

# Chair Yoga

Chair yoga is a gentle practice in which postures are performed while seated and/or with the aid of a chair. Chair yoga classes typically target those with physical disabilities or aging men and women who find a typical yoga session too challenging. It is also a great form of yoga for beginners or anyone who wants to focus on a gentle practice.
